

## Z-CARD®

Z-CARD® is the perfect marketing tool to have your brand and message present during the biggest football event of the year!

Download our templates online by scanning this QR code and get started!

## ECOLOGY

We invest in the cleanest technologies available. All electricity needed for the production of our Z-CARD®s is supplied by 25,000 m² of solar panels, preventing emissions of 1,020,000 Kgs of CO2 every year.

Our partnership with NatureOffice allows us to make every Z-CARD® truly carbon neutral when you choose to support one of their nature projects.
